PROFESSIONAL EXPERIENCE

Public Bank Berhad

Sept 2025 - Feb 2026

Trainee Analyst Programmer (Middleware)

Sept 2025 - Feb 2026

- Collaborated with users and cross-functional teams to support the design, development, implementation, and maintenance of software applications.
- Assisted in application development by analyzing user requirements and translating them into functional system features.
- Maintained and enhanced existing application systems through bug fixing, performance improvements, and minor feature enhancements.
- Wrote, tested, debugged, and documented source code following standard development practices.
- Supported system deployment, application implementation, and user training activities.
- Provided technical support, troubleshooting, and issue resolution for production application systems.

Custommedia Sdn Bhd

Sept 2024 - May 2025

Junior Consultant (Professional Services)

Feb 2025 - May 2025

- Engaged in Agile Scrum methodology by actively participating in sprint planning, daily stand-ups, and retrospectives, fostering team collaboration and improving project delivery timelines.
- Collaborated with stakeholders to gather, analyze, and document business requirements, ensuring alignment with project objectives and enhancing solution relevance.
- Developed and refined acceptance criteria for user stories, making them clear, concise, and testable to facilitate effective quality assurance.
- Designed intuitive wireframes for mobile and web applications using Figma, translating user requirements into visual guides that streamlined development processes.
- Created clear and concise user stories to communicate user needs effectively, promoting shared understanding and alignment among cross-functional teams.

Professional Services Trainee

Sept 2024 - Feb 2025

- Studied and familiarized with Figma to understand UI/UX design and wireframing for mobile and web applications.
- Learned about Agile methodologies, including Scrum processes, to prepare for effective participation in collaborative software development environments.
